News and Emergency Information Website for California Fire Victims and Families

News and Emergency Information is available for California fire victims and families at these Internet websites:

San Diego residents can go to 411SD.info (<http://www.411SD.info>).

Other CA and U.S. residents can go to 411US.info (<http://www.411US.info>) and enter their zip code.

The websites have access to news and information from the websites of local newspapers, TV Stations, and to federal, state and local government information.

There are also links to Red Cross emergency websites for victims and families to connect, for Red Cross partner agencies, and for Americans to donate to the American Red Cross for victims.
